Dear Mr. Price:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-000834), dated June 16, 2015, in which you requested the following:

“We are seeing a conflict is our request for a letter of supply from ICP-Heil, a division of United Technologies. Their president is claiming to have never given a letter of supply to any vendor, yet the contract number referenced above clearly has their full product line listed on GSA Advantage.

We want to make sure that this is in line with regulations and to show proof to the company that they actually did issue a LOS.”

Our search of GSA records failed to identify any records or files that are responsive to your request. In addition, Letters of Supply were not provided for ICP-Heil products from [WSI Manufacturing, Inc. DBA: Johnstone Supply of Waltham](#) GSA Contract GS-07F-5525P. Therefore, a contract modification was completed on June 29, 2015 to remove all ICP-Heil products from the respective contract.

Since the agency does not have any records within the scope of your request, this does not constitute a denial of records. You have the right to appeal the adequacy of our search. To do so, you must write, within 120 days of your receipt of this letter, to the following address:

U.S. General Services Administration
FOIA Requester Service Center (H1C)
1800 F St. NW, Room 7308
Washington, DC 20405

1275 First Street, NE
Washington, DC 20417
Telephone: (202) 501-0800
Fax: (202) 219-1243

Your appeal must be in writing and should contain a brief statement of the reasons why you believe GSA should have the requested information. Enclose a copy of your initial request and a copy of this letter. Both the appeal letter and envelope should be marked prominently, "Freedom of Information Act Appeal."

This completes our action on this request. Should you have any questions concerning this matter, please contact Ms. Shaloy Castle-Higgins at (817) 850-8450 or by email at shaloy.castle@gsa.gov.

Sincerely,

Travis S. Lewis
